

Money Matters!

UK Contingent Bulletin Fundraising

Dear ,

I can't believe it is already the time to say "it is only one year to the 24th World Scout Jamboree" - I hope that you are as excited as I am! I'm also excited as this is the first time I have written to all adult members of the UK Contingent - Unit Leaders, IST and the UK Contingent Team.

Inclusion Fund applications

We have been informed that The Scout Association has received a record number of applications to the Inclusion Fund for World Scouting Events and we are delighted that so many of you have tried to access this source of funds. Due to the number of applications for the Grants Committee to review, additional time will be required and applicants are unlikely to receive a response until Autumn 2018. This will be prior to the next UK Contingent payment date.

Grants

There could be a number of organisations local to you (e.g. Lions International, Rotary International) who may provide financial support for the Jamboree. Working with the Grants Team at Gilwell Park, we have provided some information on additional sources of funding, which can be accessed [here](#).

UK Contingent Fundraising Badge

UK Contingent Fundraising Badges will be available to purchase in packs of ten from [Scout Store](#) at a cost of £10 from **Wednesday, 25th July**. The badges are only available for purchase by members of the UK Contingent, using Event ID "Solidarity18". The recommended selling price for the badges is £2.

Easyfundraising

We are delighted to announce we have partnered with the UK's leading online shopping fundraising service, easyfundraising, to offer all members of the Contingent an unlimited source of funding for the Jamboree.

Every time you and your family buy something online, from fashion and flights to fast food, go to easyfundraising first to find the retailer you want. There are over 3,300 to choose from including Amazon, eBay, Topshop, Just Eat and ASOS.

To find out more and to register click [here](#). What's more, register before the end of August and you'll be entered into a draw to win £100!

Fundraising Ideas

We have seen all the amazing ideas that the Contingent has come up with for fundraising - quizzes, candy floss stalls and of course lots and lots of bag packing.

We have come up with some ideas for Unit and individual fundraising [here](#). But of course you all have great ideas too! Why not share those with us, and we'll keep sharing them on the page.

North America in a Bag

"North America in a Bag" is the UK Contingent's programme resource to help involve Scouts and Guides in the fun and excitement of the Jamboree.

This is an opportunity for Units to raise funds by running programme sessions and selling Fundraising and Unit Badges. A digital version of the resource can be found [here](#).

I hope you have a great summer.
