## EasyFundraising

With Christmas just around the corner you may have relatives shopping online, we wanted to remind you that the UK Contingent has partnered with [easyfundraising](#)– the UK’s biggest retail fundraising website – so you can easily raise money for the Jamboree, simply by shopping online!

Whenever you buy something online, go to easyfundraising first and choose who you want to shop with – there are over 3,300 retailers to choose from including eBay, Apple, Sainsbury’s, Argos and Tesco! Then, click out to the retailer, shop as normal and you’ll earn a free donation from the retailer towards your fee! It really is that simple!

Over the next month, easyfundraising will be running a competition - be the contingent member who raises the most between now and 31st December 2018 to win £100 to spend at Amazon!

Ben from Unit 32 won an additional £100 for taking part in easyfundraising’s last competition just for signing up!

I can’t wait to meet you all next summer!

Kind regards,

**Caroline Pearce**
