

# HELLO!

Dear ,

Happy New Year! I can't believe it is now time to say we are going to the Jamboree this year - I hope you are as excited as I am. This email provides actions in relation to your registration with the UK Contingent.

## UK Contingent - Registration phase 4

As part of our plans for the event, including travel, we need to collect the following information from you:

- Passport details
- ESTA details (if applicable)
- VISA confirmation (if applicable)

It should take no more than 10-20 minutes to complete the [Registration Form](#).

Please can you complete this by **22nd January 2019**.

## UK Contingent - Travel advice

In December, the UK Contingent updated its Travel Advice, including noting the requirement for Contingent members to have both an ESTA and an eTA. We have reconsidered our travel advice to members of the IST in relation to the need for eTA.

The UK Contingent now consider that an eTA is not required for members of the IST, with the exception of those undertaking the Additional Option Tour in Canada.

Those members of the IST who had followed our original travel advice and had obtained an eTA, and are not considering travel to Canada, will be eligible for a refund on their eTA from the UK Contingent. More information about this process will be launched in due course in obtaining a refund, which will be provided as a reduction of £4 to your fee.

The UK Contingent do not require copies of any additional travel documentation you require for your Optional Additional Tour, though copies may be requested by Travel Places, your tour operator.

## UK Contingent - Optional kit

Don't forget, Scout Stores have a wide range of optional UK Contingent kit to purchase, the deadline for ordering is 28th February 2019 and to access the catalogue click [here](#). Optional kit is only available to members of the UK Contingent and requires a "Event ID" to be entered when creating an account. As a reminder, the Event ID is Solidarity18 and this should not be shared outside of the UK Contingent.

Kind Regards,
